The natural slate floors complement the impressive timber beams and handpicked local field stone surrounding the 32-foot furnace fireplace. To your right, a cozy nook invites you to relax, while to your left, a wet bar sets the stage for entertaining. In the living area, curl up with a book by the fire, or step out through double garden doors to take in the park-like acreage. The home is naturally insulated, offering complete tranquility. Next, enter the master wing, a true sanctuary featuring a room with a view, which would be perfect as an office or nursery. Your spacious bedroom oasis includes a private balcony, a walk through closet that leads to a lavish 5 piece ensuite, with Picasso Travertine floors, a heated soaker tub, custom shower and beautiful double vanity. The second wing is home to the chef's kitchen of your dreams, equipped with a large island topped in Brazilian granite, high end appliances, solid wood cabinetry, and all the conveniences of

modern living, including hot water on demand and a walk in pantry. Down the hall, you'll find a full bathroom, the first of two laundry rooms, and access to the double attached garage. The walk-out basement offers a complete second living space, with a full kitchen, family room, second stone fireplace, hot tub, exercise areas, two bedrooms, office or craft room, another laundry area and a workshop with future development potential. The mechanical room is equipped with top-tier systems, including two Weil McLaren boilers, (zoned in floor heat), three a/c units, and water treatment systems. Outside, the adventure continues with a detached triple garage/work shop, wood shed, and a gazebo.
